KING PIN KITS

QWIKKIT KING PINS

Install faster than reamed king pins
Optimal Lubrication – No-Ream steel bushings and pins are grooved to provide an optimal stream of lubrication to high-wear areas

PLUSKIT KING PINS

For No-Ream installation, perfect fit, less down time and better quality
Pre-Sized Bronze Bushings: Have a fit as good as “reamed” without the expense

King Pin Press

PART# 90150

\$1,849.99

King pins can now be removed in minutes with relative ease and efficiency.

- Capable of generating 46,000 lbs of force yet weighs only 30 lbs
- Anti-torque arms prevent twisting of the main body while under extreme force
- Engineered for use with up to a 1" impact tool

Pitman Arm Puller - Sheppard

PART# 10385

\$194.99

Easily remove even the most stubborn pitman arms on Sheppard M100 gearboxes.

- Eliminates dangerous hammering and cutting torch methods
- May be used with up to a 3/4" impact tool
- High strength steel casting designed for high capacity pulling.

Pitman Arm Puller – Sheppard M110

PART# 10389

\$288.99

Easily remove even the most stubborn pitman arms on Sheppard M110 gear boxes.

- Eliminates dangerous hammering and cutting torch methods
- May be used with up to a 3/4" impact tool
- High strength steel casting designed for high capacity pulling.
